

Contents and Document Directory for the CE Conformity Assessment Process for Machines

Documentation of the CE process	Document, file	Remarks	Source	Edition
Document directory		(this document)		
CE offer				
CE contract				
Invoices				

Technical documentation according to EC Machinery Directory	Document, file	Remarks	Source	Edition
Total plan of the machine	Design drawings with parts lists Spare parts catalogue			
Control circuit diagrams				
detailed and complete plans, if necessary with calculations, test results etc. to check whether the machine conforms with the basic safety and health requirements				
List of the basic requirements of this directive	EC Machinery Directive 98/37/EC	The legal stipulations of the community for machines, official commentary		
List of standards	EN 292-1 EN 292-2 EN 1050 EN 60204-1 EN 60529 EN 61000-6-2 EN 61000-6-4 EN 62079	According to conformity declaration in the operating instructions		
List of the other technical specifications taken into account when the machine was designed				

<i>Technical documentation according to EC Machinery Directory</i>	<i>Document, file</i>	<i>Remarks</i>	<i>Source</i>	<i>Edition</i>
Description of solutions selected to prevent the (residual) risks emanating from the machine		Information on risk analysis List of the risks Risk analysis		
If necessary all technical reports and/or all certificates issued by a responsible laboratory				
A copy of the operating instructions of the machine
